LEMON BLACK TEA

BOBA MILK TEA

## Our Story

Mr. Tea all started from a craving for milk tea. Late one night we wanted to satisfy our craving for the boba milk tea we grew up with in Asia. However what we got in hand did not satisfy us. We felt things could be done better. It was obvious there were corners being cut and compromises being made. All of which got in the way of us, and our perfect cup of milk tea. So we embarked on a new adventure.

Left our day jobs and got on a plane to learn everything there was about milk tea. After tasting countless teas and learning traditional milk tea production in Taiwan we came back to Hawaii and began work on what is the Mr. Tea recipe available today. Hundreds if not thousands of attempts later we have created what we believe to be the best cup of milk tea you can get anywhere!
